Des Moines, IA

TYPE OF CONSTRUCTION:

New Construction

SIZE:

70,000 SF

OWNER:

Des Moines Independent School
District

ARCHITECT:

The Design Group

DETAILS

Stahl built the new Edmunds Elementary School directly adjacent to the existing school, and demolished the old facility once the new building was completed.

This project was especially successful because Stahl effectively planned to manage the long winter conditions. The project team also worked closely with the subcontractors to ensure safety and separation, as this project was in a busy neighborhood.
